from the training grounds, in late September, the 16th Cds Mecz Regt, the 93d Tank Regt and the 95th (?) Mircl Bn, all of the 6th Gds Mecz Div were stationed in the Panzer Kaserne, add up to a total of 1,500 troops. X1 elements of the units mentioned, as fatigue details, remained in Templin, where they might be employed in the construction of barracks installations. The number of tanks mentioned in paragraph 3 of the present report is much too high. not more than 130 tanks are believed to be in the installation. as in 1951, the Panzer Kaserne served as assembly point for dischargees of the Fourth Cds Mecz Army during the period of personnel exchange.
